

EVERY™ APPLICATION. RECON ENGINES

**For Every Application,
Insist On A Genuine
ReCon Engine**

ReCon

RECON ENGINES.

Cummins ReCon® Engines.

When you depend on a diesel engine every day, it must be just that – dependable and tough! That's why the world's most demanding operators only specify one name – Cummins.

Remanufactured By The Original Manufacturer.

No-one knows Cummins engines better than Cummins. That's why Cummins is the only authorised remanufacturer of Cummins engines. When you're looking for the best in durability, dependability and value, Genuine Cummins ReCon® engines beat the competition in every measure. This difference gives you confidence – knowing that your engine is going to deliver peak performance Everytime, Every Mile, Every Hour and Every Day.

Cummins ReCon® engines possess service characteristics equal to new engines through to the next overhaul cycle because Cummins engineers maintain strict control over all specifications, wear limits and salvage processes. In many cases, Cummins ReCon® engines and components are remanufactured in the same plant as new parts and engines and are tested to current engine standards by highly skilled, Cummins trained technicians using state-of-the-art tooling and equipment.

Lowest Total Cost Of Operation.

Cummins ReCon® engines are the premium quality, competitively priced major overhaul option for those who value performance, reliability, durability, uptime and product support. With a Cummins ReCon® engine, you know the total cost up-front including a no hassle core acceptance based on a simple visual inspection. Fast turnaround will get your equipment up and running and earning money again in hours.

Every Improvement.

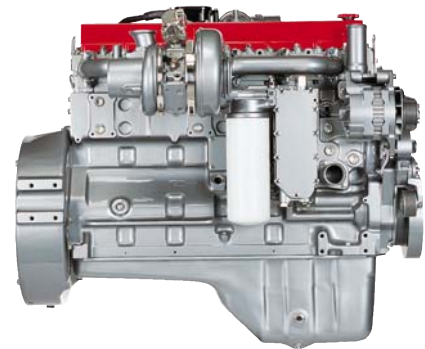

Cummins ReCon® engines don't just meet your original specifications – they incorporate the latest advances in materials, component design and manufacturing techniques to deliver performance that goes beyond expectations.

Every Application.

Cummins ReCon® engines are available from your local Cummins distributor for a wide range of truck, bus, construction, industrial, rail and marine applications.

Cummins ReCon® Warranty.

Cummins ReCon® engines are backed by the best warranty in the business – a warranty that is recognised at over 4000 locations worldwide.
